

# Japanese Private Sessions

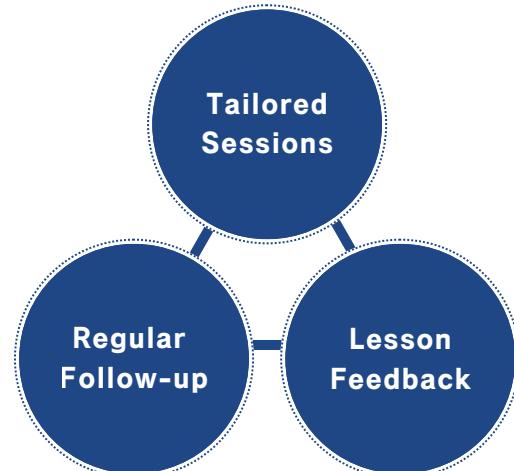

## “Customized”

Since its establishment in 1987, ICI has been providing Japanese lessons to numerous foreign learners working in companies, regardless of their proficiency level. For busy business professionals, learning efficiently is of utmost importance. At ICI, we accurately assess each learner's needs and provide the most suitable and effective lessons tailored to each individual.

## Reliable Support System

- Role-based needs assessment
- Outcome-driven lesson design
- Adaptive content updates
- Clear progress visibility with concise feedback
